Southern California Robotics Symposium
UCLA, April 17, 2020

On Friday, April 17th, 2020, the Southern California Robotics Symposium (SCR) will be held at the University of California, Los Angeles. Previously held at UCSD, USC, and CalTech, this symposium brings together academia and industry roboticists from across Southern California for a full day of presentations, networking, exhibitions, and tours of UCLA's robotics laboratories. We expect 250 attendees at this event. For up-to-date information on the symposium, please visit the official SCR2020 website: scr2020.ucla.edu

We would greatly appreciate your sponsorship of the 2020 Southern California Robotics symposium. In sponsoring the conference, we can provide recognition of your name and the following levels of entitlements:
